Learn how to effectively use the 2/1 system to get to the right contract almost every time. Well, maybe some of the time.

You'll not only learn the basics but also secret conventions that "they" don't want you to know, e.g. the "jack-ask," Pandora, "length-showing doubles" (size does matter) and many others.

Watch your scores go through the roof as you trot out all the tricks you'll learn in just 5 weeks of hands-on instruction.

Cost is only \$100 for the 5-week course. But the first time you alert and explain the "jack-ask" priceless.

Classes held at the Daytona Metropolitan Bridge Club (386) 255-7744
